

# MISSOURI SWMD DISTRICT ANNUAL REPORT

FISCAL PERIOD: JULY 1ST - (PREVIOUS YEAR) TO JUNE 30TH - (CURRENT YEAR) | 2017

## District E - MARC Solid Waste Management District

### SOLID WASTE MANAGEMENT DISTRICT ANNUAL REPORT

1 (a). What waste goals did the district have for the fiscal year period and what actions did the districts take to achieve these goals?

The MARC SWMD's purpose is to divert waste from the waste stream through waste reduction, reuse and recycling, with an ambitious goal of reducing the amount of waste going to landfills by 80 percent by 2023. To achieve the 80 percent waste diversion goal, the district adopted multi-year strategies that encompass waste reduction, recycling and resource recovery. Regional solid waste programs, grant funds, technical assistance and education efforts help facility progress towards this regional goal. See Attachment 1 for further discussion.

1 (b). What waste goals does the district have for the upcoming fiscal period and what actions does the district plan to take to achieve these goals. Please include the types of grant proposals that will be sought for the upcoming period to assist in meeting these goals.

See above and Attachment 1 for further discussion.

2 (a). What recycling goals did the district have for the fiscal year period and what actions did the district take to achieve these goals?

8. Describe your district's grant proposal evaluation process.

The Grant Review Committee is comprised of six volunteers: Donna Utter (Chair), citizen; Steve Fishman, citizen/formerly with EPA; Brian Alferman, Burns and McDonnell; Jim Twigg, Management Council ex officio; Dan McGraw, Executive Board (past member/alternate); and Lindsay James, Blackstone Environmental. The grant proposal evaluation is as follows: 1. Applicants are required to submit a brief pre-application indicating project scope and preliminary budget. The Grant Review Committee (GRC) reviews pre-applications and provides initial feedback on project relevancy and suggestions for improvement. District staff communicates GRC comments both verbally and via email to applicants. Applicants may decide at that point to submit a full application. 2. Applicants must submit an application by the district's posted due date and time. Staff reviews the applications received to determine completeness. At this time, staff also prepares a summary of past performance for applicants who have received prior grant funds. Staff forwards a completeness list and past performance evaluation to each GRC member. 3. The GRC members individually evaluate final proposals on criteria established by the district grant rule. 4. GRC member scores are submitted to

staff for ranking compilation. An average score is calculated for each grant application. 5. The committee convenes a meeting to complete its selection process and agree upon a consensus-based score for each application received. At this meeting, recommendations for "full award," "partial award," "no award" are made based on the amount of funding available for the grant round. If necessary, contingencies for award are established at this meeting. 6. Recommendations resulting from this process are forwarded to the executive board for approval. The district has provided funding to past recipients. Past performance is reviewed by the Grant Review Committee and the Executive Board. Each receives a list of past recipients as part of its approval process. Staff assistance is offered throughout the process to ensure quality and complete applications.
